

COVID-19 daily health assessment

Please complete the COVID-19 daily health assessment before coming to campus today.

Please do not enter UBC premises if you:

- Have travelled outside Canada and are required to complete federal quarantine requirements
- Have been identified by Public Health as a close contact of someone with COVID-19
- Have been told to isolate by Public Health

If you are displaying any of these symptoms, stay at home and call 811 or use the B.C. COVID-19 Self-Assessment Tool to see if you need to be tested for COVID-19. Follow the direction provided.

- Fever or chills
- Loss of sense of smell or taste
- Difficulty breathing
- Cough

If you are displaying any of the following mild, moderate, new or worsening symptoms, stay at home and call 811 or use the B.C. COVID-19 Self-Assessment Tool to see if you need to be tested for COVID-19. Follow the direction provided.

- Nausea or vomiting
- Sore Throat
- Loss of appetite
- Extreme fatigue or tiredness
- Headache
- Body Aches
- Diarrhea

If none of the above symptoms apply, you are welcome to enter UBC premises.
